

Meeting Room Reservations, Use Policy and Request Form

In our role as a community center, the Morton-James Public Library encourages the public to use the Kimmel Gallery, lower level North Meeting Room and main level East Room for meetings, programs and private gatherings. Library activities or events will have priority over public requests to use the rooms. Permission to use the meeting rooms does not constitute or imply Library endorsement of the aims, policies or activities of any group or organization, or the views expressed during a meeting/event.

Meeting Room Reservations

1. Nonprofit, community groups, community organizations and private gatherings may use the Library meeting rooms. The Kimmel Gallery is available for meetings/events after regular Library hours. The lower level North Meeting Room and main level East Room may be used for small groups during regular Library hours.
2. A freewill donation to the Library is suggested for the use of a meeting room. Use of a meeting room is not contingent upon receiving a donation.
3. Reservations can be made by phone, completing the form on the Library website, or by contacting the Library in person. Reservations must be made by an organization or group representative over nineteen (19) years of age. The full name of the representative, organization or group, a brief description of the meeting/event and a current phone number are required when making a reservation.
4. The reservation will be confirmed as soon as possible for phone calls and walk in requests. Requests received through the website will be confirmed within two (2) business days.
5. The representative will be responsible for setting up before the meeting/event and returning the room to its original state following the meeting/event.
6. If the meeting is to start after the library is closed, the representative of the organization or group needs to be at the library at least 15 minutes before closing time. A reservation outside normal library hours depends on availability of staff and whether this will impact normal library operations.
7. Library staff should be notified as soon as possible if a scheduled meeting has been canceled. The library reserves the right to cancel or reschedule any meeting without penalty or obligation. An adult leader over the age of nineteen (19) must be present at all times to supervise groups of children. At least 2 adults must be present for meetings/events involving groups of children under the age of 16.
