

Website Policy

1. The URL for the Morton-James Public Library website is www.morton-jamespubliclibrary.com.
2. The Morton-James Public Library Webmaster and assistant will maintain the Library's website.
3. The library website is intended to provide public and staff access to a variety of educational and informational resources in electronic format. The information will complement and supplement the print and multimedia collections of the Library. The information includes, but is not limited to, the on-line catalog of the Morton-James Public Library, online databases made available by the Morton-James Public Library and the Nebraska Library Commission, information on library programs and services, and links to selected Internet websites.

Adopted November 9, 2016
